Introduction of Koi Lovers

Recognized as the breeder of famous "Kamihata-sanke". He is a captain of Kamihata's exploration team and had 27 times experience in explorations of rarely-visited regions such as Amazon river. He wish to bring fish keeping closer to the people.

A passionate, professional Nishikigoi breeder who have been working so hard to breed the No.1 Nishikigoi in Japan. He is worried about his beer belly due to too much drink after hard working.

A son of Mr.KOI. He was ever suffering from pressure or conflict as a second-generation. However, he has been exerting himself by an innate sense of Nishikigoi keeping nad his guts!

A Nishikigoi buyer from abroad who loves "Inazuma Kohaku". His cheerful and upbeat character sometimes makes breeders misunderstand himself, however he is an expert of Nishikigoi selection.
